**Addendum No. 1**

**Projects: Supply of Four (4) Diesel Forklifts – Capacity 2.5 Tons  
&  
Rental of 2.5 tons Diesel Forklifts**

**Procurement References No: AMB/NWM/ONB/03/21 & AMB/NWM/IF/03/2021**

Bidders are requested to take note the following amendments:

1. **Item A – Section V – Schedule of Requirements -Section 3- Technical Specifications: Item A- Section 12 – Pneumatic Shaped solid Tyres with 2 Spare wheel per truck:**

The type of tyres should read SOLID tyres.

2. **Item A- Section 25- 360 Degrees Fork Rotator:**

The type of rotator required must be a 360 degrees fork rotator as mentioned under the technical specifications and standards at Item No. 25 (*a clear see through of lifting object*) of the Bidding Document.

3. **What type of Goods to be handled?**

Normally the forklift at the AMB handles wooden bins, metallic bins and pallets containing agricultural products and items on rental at our stores.

4. **Operation hours of Forklift at National Wholesale Market:**

The operation hours at the National Wholesale Market (NWM) have not yet been finalised. Presently, the AMB Moka store operates from 07:00 hours to 16:00 hours and we foresee longer operation hours at the NWM.

5. **Maintenance Contract:**

The Board will decide on which option to choose, whether to proceed with the tender AMB/NWM/ONB/03/2021 **and/or** AMB/NWM/IF/03/2021, based on the most cost-effective option. Bidders are strongly advised to submit their offers for both tenders.
